

# ABORTION EXTREMISM in Virginia

Wondering what the state of abortion looks like in the Commonwealth?  
The stats below reveal how quickly abortion extremism is expanding:

## Number of Abortions in Virginia

In the last **7 years**  
the annual volume  
of abortions in  
Virginia  
**GREW 126%**

In 2024, at least  
**38,500 CHILDREN**  
lost their lives to abortion.

Black women have  
an abortion rate  
four times higher  
than white women.

**AT LEAST**  
**5 NEW ABORTION FACILITIES**

have recently opened, *not including...*

The **\$1,000,000** property  
the City of Richmond is trying to  
give **Planned Parenthood for \$10**

The new "Right To Your Life  
**SATANIC** Abortion Clinic"

The proposed amendment enshrining unlimited  
abortion—even up until the moment of birth—will only  
result in a warp-speed increase in this trend.
